# Where do you want the Maryborough Pump Track?

*A pump track is a circuit of rollers, banked turns and jumps designed to be ridden by generating momentum by up and down body movements, instead of pedalling or pushing.*

We are seeking community feedback on two proposed sites for the new facility!

Option one: Anzac Park

Option two: Brendan Hansen Park

You can get involved by voting for your preference BEFORE 16 JANUARY, 2022.

Or come and chat with a Council officer to give feedback and ask questions:  
10 Jan, 10am - 1pm at Anzac Park,  
11 Jan, 10am - 1pm at Brendan Hansen Park.
