

Design-a-Bookmark Competition

People's Choice 2025

Frequently Asked Questions

Choose Your Favourite – One Vote Only

Vote now for your favourite bookmark in our annual bookmark competition!

How many votes can I cast?

Each person is allowed to cast one vote for one bookmark, across the entire competition. You cannot vote once in each category. Different people in each household are permitted to each vote, once.

How will you choose the winner of the People's Choice Award?

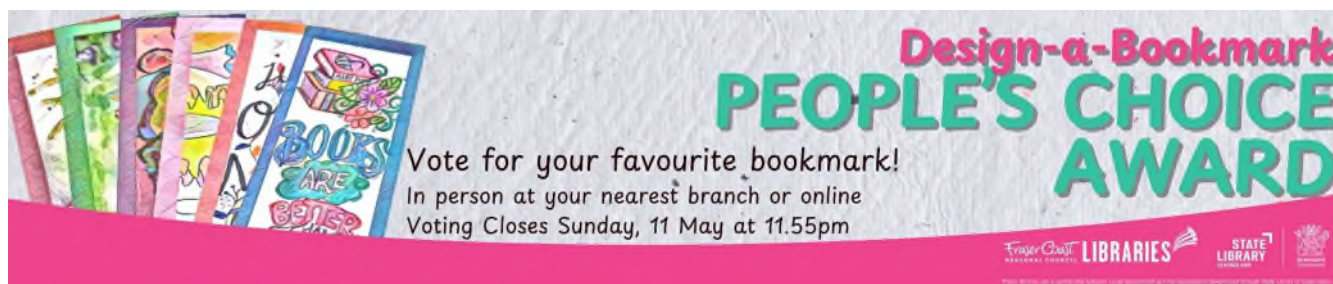

The bookmark with the highest number of votes, which has not already been selected as an age category winner, will be named the People's Choice Award winner.

The winning bookmark will be printed, along with our age category winners. The five age-category winners are being chosen by an independent judge.

Will winning bookmarks be made available to the public?

Yes. In the coming months, all six winning bookmarks will be professionally printed and available for free at every library branch – Hervey Bay, Maryborough, Tiaro, Howard and Burrum Heads.
