TREES IN THIS LOCATION HAVE BEEN DELIBERATELY VANDALISED.

Native trees and vegetation are significant and valuable to our environment and belong to the whole community.

Fraser Coast
REGIONAL COUNCIL

They provide much needed shelter and food for local wildlife, are perfectly adapted to our soil and weather conditions and are a valuable part of our natural heritage. Every incident is a direct cost to ratepayers.

Anyone with information regarding any act of tree or vegetation vandalism is requested to contact Council on **1300 79 49 29**
